User manual

The image shows the "Add a family" screen in the Livoo app. The screen has a header with a back arrow, the title "Add a family", and a "Finished" button. The main content area includes several input fields: "House Name :" with a placeholder "Enter name of house", "Location of the family" with a placeholder "Define location" and a right arrow, and "In which rooms are the devices ?". Below these fields is a list of rooms, each with a blue checkmark icon to its right: "Living room", "Main bedroom", "Second bedroom", "Dining room", "Kitchen", and "Office". At the bottom, there is a section titled "Add a room" followed by a grey box containing the text: "After that, you will be able to modify the parameters of the room at any time".

The home screens appears. From this screen you will have access to all the functions of the App.
