User manual

Thank you to have purchased a product brand LIVOO. We take great care in design, ergonomics and simple use of our products. We hope that this product will give you complete satisfaction.

This manual is also available on www.livoo.fr

GENERAL INSTRUCTIONS

PLEASE, TAKE TIME TO READ WELL THE INSTRUCTIONS FOR USE PARTICULARLY BEFORE THE FIRST USE. A misuse of the appliance can damage it or hurt the user. Assure that you use the appliance for the use for which it is designed; we refuse any responsibilities as for the damages by an incorrect use or a bad manipulation.

- Before using the unit please read the manual carefully.
- Keep this product away from any water, liquid or wet areas.
- This product shall not be exposed to dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on the apparatus.
- Use in dry locations only.
- Keep this product away from naked flames such as candles.
- This product should be only operated from the type of power source indicated on the marking label.
- Do not place the product in direct sunlight or heat. Keep away from temperatures over 40°C.
- Make sure the product has plenty of ventilation.
- Do not press the buttons too hard as it could damage the product.
- Never try to repair this product yourself, take it to an approved technician. Trying to remove panels or repairing the unit yourself could lead to electric shock.
- When the unit is not in use, make sure it is correctly turned off and stored in a cool dry place.
- Do not insert foreign objects into the product.
- Adult Supervision is recommended with children using this product.
- Avoid dropping or standing on the product, as harsh impacts could damage the product.
- Ensure children and infants do not play with plastic bags or any packaging materials
